## Summary

Reliable and organized Web enthusiast eager to work as a Content Management Specialist in the Sports industry. Knowledgeable in various U.S. sports such as the NFL, NBA, MLB, NHL, PGA, MLS, and MMA. Thrilled to work with such an ambitious, dedicated, and innovative team. Passionate about using my technical skills and attention to detail to aid BetMGM's rise to the top.

---

## Experience

**Holy Name Hospital - Web Development Intern** 06/2021 - Current  
Teaneck, NJ

- Built website content and designs using HTML and CSS
- Collaborated with senior-level developers in the development and launch of Holy Name's new website
- Sanity tested daily with great detail to ensure all links and various forms of media function properly
- Created and edited website design assets using Adobe Photoshop
- Regularly worked odd hours in preparation for the website's launch

**RDC - Freelance Web Designer** 07/2020 - 06/2021  
Bogota, NJ

- Developed unique websites using content management systems, including WordPress and Squarespace to strengthen company brand and identity
  - Generated concepts and initial design explorations for new features and other product aspects
  - Increased web traffic by creating dynamic media sections and adding social media plugins
-
